Martine compte ses ouailles...

Et...c'est reparti !

A glowing blue digital display showing the date 07 29. The digits are formed by a grid of small squares, giving it a pixelated appearance. The display is set against a dark background.

Et la Pause...

L'Intendance a pensé à tout !

A close-up photograph of a digital display on a light-colored surface. The display is rectangular and shows the number '1014' in bright blue, seven-segment LED digits. The digits are slightly shadowed, giving them a three-dimensional appearance. To the right of the display, a small red indicator light is visible on the surface.
